LOGNOTE -- Chief, Operations Group, 12 July 1985

1. (Wilson) [ ] called today with some bad news. The Office of Personnel has decided that due to a critical personnel shortage in PMCD they cannot release [ ] at this time for a rotational tour to FBIS. However, this does not preclude a rotational tour at some future date once O/P's recruiting efforts begin to pay dividends. This could possibly be as early as 6 months. In any event, I told [ ] that we were still very interested in [ ] and that this should be kept high on our priority list. He agreed to do so.
